 - Ensure that customer enquiries, requests and complaints are handled professionally and within the agreed SLAs.
 - Monitor individual and team performance against agreed KPIs and SLAs.
 - Conduct regular coaching and feedback sessions with team members.
 - Take ownership of customer complaints escalated by Customer Service Representatives.
 - Support customers with issues relating to internet/fibre services, mobile services, installations, billing, accounts, service faults and connectivity, as applicable.
 - Monitor the quality of customer interactions and adherence to approved procedures.
 - Prepare and submit regular team performance reports to the Head of Department.
 - Ensure team adherence to approved Customer Service policies, SOPs and processes.
-

Role Qualifications

- Bachelor's degree in Business Administration, Customer Experience, Communications, Marketing, Management or a related field.
- Professional qualification in Customer Experience, Contact Centre Management or a related discipline is an added advantage.

- 5–7 years' relevant experience in Customer Care, Contact Centre Operations or Customer Experience.
 - At least 2–3 years' experience in a supervisory or team management role.
 - Experience in the telecommunications, ICT, ISP, utilities or other high-volume customer service environment would be preferred.
 - Demonstrated experience managing customer service KPIs, SLAs, complaints and escalations.
 - Experience managing and developing customer-facing teams.
